I agree that being a coach will require me to arrive early enough to install equipment (bases, goals, etc.) for practice, help prepare the fields and courts as needed, etc. I also understand that as soon as my practice is over, I will be required to remove the bases and goals and to clean up my area of practice. I also understand that I am fully responsible for players and non-players conduct in my practice area and I will help in controlling this area. Upon the signing and presentation of this application, I authorize the City of Loudon Parks and Recreation Department to use this information to do a background check in any degree it deems necessary. This check may include contact with the local police department as well as county and state law enforcement agencies. It is also understood that any information gathered will be held in strictest confidence and will only be viewed by officials with the City of Loudon Parks and Recreation Department.

I assume all risks, hazards, and liability incidental to participation, including transportation to and from activities and do hereby waive, release, absolve, indemnify, and hold harmless the City of Loudon, the Loudon Parks and Recreation Department, its organizers, employees, instructors, and participants from any claim arising out of injury, illness, or loss of life or property.

I also understand that I must attend a coaches clinic and also attend all coaches meetings before becoming a coach with the City of Loudon Parks and Recreation Department.
